### When to File this Form:

Where the Board's Electronic Case Folder (ECF) contains a Denial (FROI/04-SROI/04) and a medical report referencing an injury, the Board shall send to the parties a notice of pre-hearing conference, which shall occur no later than 30 days from the Board's receipt of the notice of controversy.

This statement must be completely filled out separately by claimant's representative and the employer or carrier, and each party must file with the Board and serve the completed statement on all parties NO LATER THAN TEN DAYS BEFORE THE DATE OF THE PRE-HEARING CONFERENCE.

### For Claimants Without Legal Representation:

A claimant who has not retained a legal representative is not required to fill out this form. If a legal representative is retained by the claimant, and ten or more days remain before the pre-hearing conference, the legal representative is required to fill out this form. If the claimant retains a representative with less than 10 days remaining until the pre-hearing conference, the insurance carrier or employer will be able to adjourn the proceedings, which will result in a delay in a potential award of compensation and medical benefits.

### Proper Filing with the Board:

All attachments to the form must be submitted to the Board with this form if they are not already in the electronic case folder. DO NOT SUBMIT ATTACHMENTS THAT ARE ALREADY IN THE BOARD'S FILE.

### Consequences of Improper, Incomplete, or Untimely Filing:

#### **A. Insurance Carrier or Employer:**

Failure by the insurance carrier to timely serve upon all other parties and file with the Board the pre-hearing conference statement, or the filing by the insurance carrier of a materially incomplete statement shall result in a waiver of defenses to the claim.

Failure to list a witness on, or to include a copy of any document not in the ECF with the pre-hearing conference statement, which the insurance carrier had in its possession or could reasonably have obtained, shall constitute a waiver of the right to call such witness or introduce such document in the case. There shall be no waiver if the workers' compensation law judge finds, based on the affidavit of the insurance carrier's legal representative (or if the insurance carrier does not have a legal representative, by the insurance carrier) that the conduct at issue was due to good cause and the insurance carrier exercised good faith and due diligence.

#### **B. Claimant's Legal Representative:**

The legal fee of the claimant's legal representative shall be subject to a mandatory, substantial reduction for any of the following:

- 1) Failure to timely serve on all parties and file with the Board the claimant's pre-hearing conference statement
- 2) Filing of a materially incomplete pre-hearing conference statement
- 3) Failure to list a witness, who subsequently testifies, on the pre-hearing conference statement
- 4) Failure to include on the pre-hearing conference statement a copy of any document not in the Board's electronic file, which the claimant had in their possession or could reasonably have obtained, if such document is used by claimant's legal representative in seeking to establish the claim.
