

Related Materials

This tab lists any Non-scannable Objects (NSOs) in the possession of the Board. They may be held at the District Office or they may be archived in Norwich.

The screenshot shows the 'eCase - Claims Information System' window. The 'Case Details for WCB Case ID: 80501990' are displayed. The 'Case Status' is 'No Further Action'. The 'District' is 'Buffalo'. The 'Related Materials' tab is active, showing a table with two items:

Record Type	DB/DC Case	Record Description	Beg. Date	End Date
Case Folder		Videotape	01/19/2007	07/06/2011
Medical Eviden...		IME-3 with medicals, over 200 pages	05/20/2008	07/07/2011

1 Case ID Case Number assigned by WCB when the case is assembled; **Case Status** indicates point where case is in the resolution process.

2 Record Type Category of Non-scannable Object (NSO).

3 DB/DC Case Assigned case # of DB or DC case connected to evidence.

4 Record Description Detailed description of object.

5 Beg. Date Date the Board received the object; object located in District Office as of this date.

6 End Date Date object sent to storage area in Norwich, NY.
