

Enrolling in a Course

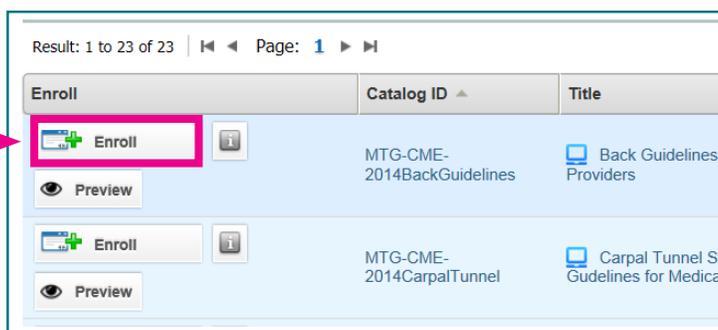

- Once logged into your CourseMill account, click on the **Course Catalog** tab in the top center of the screen to view a list of available courses.

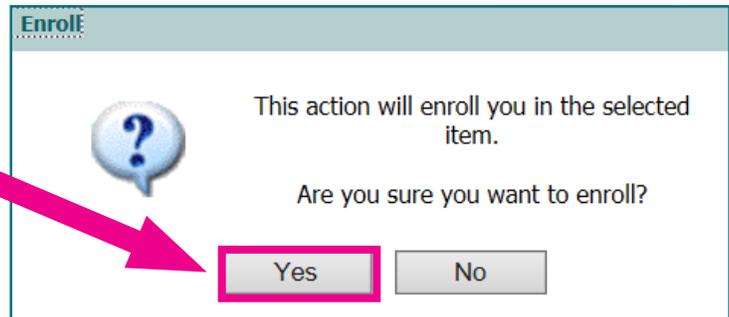

Note: There is a **Preview** button, which allows you to view the course content, but it does not credit you with completing the course. **To receive credit for a course, you must Enroll in it.**

- Select the **Enroll** button next to the course you want to take.

3. In the **Enroll** pop-up message box, click **Yes** to confirm enrollment.

4. A message will be displayed confirming your enrollment in the course. Click **OK** to remain in the **Course Catalog** if you wish to enroll in additional course(s). Select **My Courses** to access the course(s) you enrolled in.
