

Statement explaining why a revised Regulatory Flexibility Analysis for Small Business and Local Governments is not required

A revised Regulatory Flexibility Analysis for Small Business and Local Governments is not required because the changes made to the last published rule do not necessitate revision to the previously published document. The changes to the text are not substantial, do not change the meaning of any provision and therefore do not change any statements in the document. Specifically the changes are to: 1) change the effective date to December 1, 2010; 2) correct typographical errors; 3) add clarifying language; and 4) reword provisions noted as being unclear in the comments on the proposed regulation to ensure that they are clearly understood.
