**HOSPITAL INPATIENT REVISED FEE SCHEDULE  
EFFECTIVE 7/1/2008– 12/31/2008 (Revised 11/13/2009)**

Enclosed please find the certification letter and schedules of revised hospital reimbursement rates for service rendered to patients covered under the Workers' Compensation Benefit Law, the Volunteer Firefighters' Benefit Law, and the Volunteer Ambulance Workers' Benefit Law for the period July 1, 2008 through December 31, 2008.

We are providing you with updated schedules of the rates from those that accompanied the June 3, 2009 revision as the Medicaid fee for service rates were revised to reflect recent approvals by CMS related to 2008 - 2009 state budget initiatives as well as the processing of rate appeals for various hospitals. The CMS approvals related to the Recruitment and Retention rate adjustment. As these modifications only apply to fee for service Medicaid billings these have not been included in the revised schedules. Only appeals and other corrections to rates apply and have been included in the respective schedules.

All other information as outlined in the Board's June 3, 2009 letter remain unchanged and carriers should refer to that letter for more details and descriptions.
